## IMPORTANT CONDITIONS

If **Your** claim is covered under a section of this policy and no exclusions apply then it is vital that **You** comply with the conditions of this policy in order for **Your** claim to proceed. The conditions applicable to this section are contained under the 'Conditions' section below and should be read carefully. Some of the main conditions to this insurance are that:

### Prospects of Success

There must be a 51% or greater chance of winning the case and achieving a positive outcome. A positive outcome includes, but is not limited to, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which best serves **Your** interests. The assessment of **Your** claim and the prospects of its success will be carried out by an independent **Adviser**. If the **Adviser** determines that there is not a 51% or greater chance of success then **We** may decline or discontinue support for **Your** case. This condition does not apply to Crime – Pre Charge Interview and Post Interview, Magistrates Court and Crown Court.

### Proportional Costs

An estimate of the **Costs** to deal with **Your** claim must not be more than the amount of money in dispute. The estimate of the **Costs** will be provided with the assessment of **Your** case and will be carried out by the independent **Adviser**. If the estimate exceeds the amount in dispute then **We** may decline or discontinue support for **Your** case.

### Duty of Disclosure

If this policy covers **You** as a private individual, unrelated to any trade, business or profession, **You** must take reasonable care to disclose correct information. The extent of the information **You** are required to disclose will be based on, among other things, the type of insurance, explanatory material and the clarity and specificity of the questions **You** are asked when **You** took out this insurance.

### Suspension of Cover

If **You** breach a condition of this insurance contract which is essential to its performance, this insurance contract will be suspended from the time of the breach until the time the breach can be remedied. The **Insurer** will have no liability to **You** for any loss which occurs, or which is attributable to something happening, during the period when this insurance contract is suspended.

Whoever loses the arbitration must pay all the costs involved. If the decision is not clearly made against either **You** or **Us** the arbitrator will decide how the costs are shared.

### 4. Prospects of Success

At any time **We** may, but only when supported by independent legal advice, form the view that **You** do not have a 51% or greater chance of winning the case and achieving a positive outcome. If so, **We** may decline support or any further support. Examples of a positive outcome are:

- a) Being able to recover the amount of money at stake
- b) Being able to enforce a judgement
- c) Being able to achieve an outcome which best serves **Your** interests

If **You** obtain an opinion from a solicitor or barrister appointed by **You** who believes that **Your** case has reasonable prospects as defined in Condition 4 above and the **Adviser** appointed by **Us** does not agree with that opinion **We** will

appoint an independent barrister to assess the case. If the barrister's view supports **Our** opinion then **We** will decline to provide any further support. If the barrister's view supports **Your** opinion then **We** will accept the claim subject to all other terms and conditions of the policy. The costs of the barrister's assessment will be met by **Us** at all times.

#### 5. Proportionality

**We** will only pay **Advisers' Costs** that are proportionate to the amount of damages that **You** are claiming in the **Legal Action**. **Advisers' Costs** in excess of the amount of damages that **You** are able to claim from **Your** opponent will not be covered.

#### 6. Other Insurances

If any claim covered under this policy is also covered by another legal expenses policy, or would have been covered if this policy did not exist, **We** will only pay **Our** share of the claim even if the other insurer refuses the claim.

#### 7. English Law and Language

This contract is governed by English Law and the language for contractual terms and communication will be English.

#### 8. Change in Law

Cover under this policy is based on laws and regulations in force at the time that it was written. If **We** believe that any subsequent change in law or regulations results in the scope of cover being either restricted or broadened, **We** reserve the right to accept claims where the change restricts the cover under this policy and reject claims where the change provides a benefit which did not previously exist.

#### 9. Disclosure

If **You** fail to disclose relevant information or **You** disclose false information in relation to this policy, **We**, or the broker, may:

- a) Cancel the contract and keep the premiums if the **Disclosure Breach** is deliberate or reckless
- b) Cancel the contract but return the premiums proportionately if this contract would not have been entered into had the **Disclosure Breach** been known
- c) Amend the terms of the contract accordingly if the contract would have been entered into on different terms had the **Disclosure Breach** been known
- d) Proportionately reduce the amount **You** are entitled to in the event of a successful claim if a higher premium would have been charged had the **Disclosure Breach** been known.

#### 10. Fraud

In the event of fraud, **We**:

- a) Will not be liable to pay the fraudulent claim
- b) May recover any sums paid to **You** in respect of the fraudulent claim
- c) Will no longer be liable to **You** in any regard after the fraudulent act.
